

find the fun in life again.

New hope for your non-healing wound.

Get back to good times. At the Rockdale Medical Center Wound Healing Center, we offer the most advanced treatment available for serious, chronic wounds, including our Hyperbaric Oxygen Therapy. Our nationally recognized approach helps speed recovery, so you can return to the activities you love. We'll work with your personal doctor to create a treatment program just for you. Talk to your doctor or call the Rockdale Medical Center Wound Healing Center today.
